

Global Conference On

# **Metabolomics and Integrated Systems**

*Theme*  
*Novel Approaches and Advances  
in Metabolomics*

**D** March 18-20, 2019

**V** Las Vegas, USA

# INVITATION

*Welcome!*

Scient Open Access extends an enthusiastic and sincere welcome to the **Global conference on Metabolomics and Integrated systems** which is set to hit the calendar in **March 18-20 at Las Vegas, USA**. The Metabolomic Conference is the nation's biggest, most influential collaboration of professionals dedicated to Metabolomics & Integrated Systems .

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Metabolomics & Integrated Systems. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Experts. This conference is the source for leading-edge updates and the latest information in the field of Metabolomics and Integrated Systems.

## *Conference Theme*

The main theme of the conference is “**Novel Approaches and Advances in Metabolomics**”.

# TRACKS

- Cancer Therapeutic Approaches
- Metabolomics in Precision Medicine
- Lipidomics
- Clinical Metabolomics
- Plant Metabolomics
- Analytical metabolomics
- Pharmacometabolomics
- Clinical Biomarkers
- Metabolomics and Microbiomics
- Foodomics and Nutrition Research
- Bio Informatics and Expert Interpretation
- Transcriptomics
- Mass Spectrometry Based Metabolomics
- Global Metabolomic Profiling
- Metabolic Syndrome
- Therapeutic Metabolomics
- Frontiers in Metabolomics Research
- Endocrinology & Metabolism
- Toxicology and Drug Metabolism

# WHY METABOLOMICS 2019?

Meet Your Target Market With recent business reports on Metabolomics making news which manifests the tremendous growth in market value for metabolomics technology till 2019. Since metabolomics interrelated with omics sciences like Genomics, precision Medicine, Proteomics, Lipidomics, and Transcriptomics, it would be a great opportunity for companies dealing with Analytical instruments useful in these fields. Also many upcoming students and researchers can benefit themselves by participating world class International workshops, symposia during the conference which will be conducted by experts in the respective fields.

## TARGET AUDIENCE

- **Bio-Engineering Professionals**
- **Cardiologists**
- **Oncologists**
- **Healthcare Faculty**
- **Medical Colleges**
- **Healthcare Associations and Societies**
- **Business Entrepreneurs**
- **Training Institutes**
- **Software developing companies**

**Note:** Abstracts can be submitted on any of the following topics for presentations to individual interest, but not limited to the above sessions. Additionally, abstracts with a primary focus on Metabolomics and Integrated Systems are greatly encouraged and will be designated in the program as applied sessions.

# WHY ATTEND

## 1. Learn

As a speaker at Global Conference on Metabolomics-2019 you can learn a whole lot more from watching and interacting with those experts face to face. Attending a conference where experts are speaking will allow you to ask them all the burning questions you have. You can also ask for advice and possibly make a connection you can take advantage of in the future.

## 2. Network

Global Conference on Metabolomics-2019 draw together leading specialists from Universities, hospitals and industry, the academia to ensure a conference is commercially productive event for all involved. The event provide opportunities for building strong relationships and help you build you list of knowledgeable contacts.

## 3. Energized and Focused

Global Conference on Metabolomics-2019 is a great energy booster to take your career to the next level. It creates opportunities for greater focus and reflection that could help you take your business to the next level.

## 4. Explore new ways of working

Get hands on information that is specific to your business, directly from the experts. Global Conference on Metabolomics-2019 will help you curate new ideas to help improve your approach. Even though there is lot information on the web, Global Conference on Metabolomics-2019 will cut through the clutter to deliver the best content specific to your industry.

## 5. Have Fun

Being in business should be rewarding and fun. Global Conference on Metabolomics-2019 add a layer of enjoyment to managing your career growth by mixing a social aspect into your learning and industry branding efforts.

## 6. New Places; New People

Each Global Conference on Metabolomics-2019 will held at a different place, new and different people will attend. This can enlarge building collaborations and help you in developing new relationships.

# ABOUT US

Scient, an expert-driven initiative led by the editors association and the advisory board which includes academicians, researchers, and industry leaders across various fields of research.

## SCIENT JOURNALS

- Open Access Journals
- Editorial team
- High visibility
- Publication immediately after acceptance
- Quality and quick editorial, review processing

## KEY FEATURES

- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

## SCIENT SPECIALITIES

- Well-structured workshops, events and symposia
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions & interactive sessions
- Perfect platform for global networking
- B2B meetings
- Alliances and associations
- Collaborative Research opportunities

# ABOUT LAS VEGAS

Las Vegas basically know as Vegas, is the 28th most populated city in USA and most populated city in the conditions of Nevada. Las Vegas is a universally eminent real resort city, known fundamentally for its betting, shopping, fine feasting, amusement, and nightlife. The Las Vegas Valley all in all fills in as the main money related business, and social place for Nevada. At the end of the twentieth century, it was the most populated American city established inside that century. Las Vegas is the significant city in the American West which was started in the twentieth century. It has developed to the quickest developing city at century's end from a little, desert-bound railroad benefit focus at the beginning of the twentieth century. This change influenced conceivable by a blend of clever enterprise, to access to water, a broad transportation organize has made the city presently frequently referred to just as Vegas a position of huge gambling clubs, expand lodgings, and marvellous stimulation settings that pulls in masses of guests from all through the world.

## Important Dates

Conference Dates: March 18-20, 2019

Abstract Submission Opens: June 02, 2018

Registration Opens: August 2, 2018

On Spot Registration: March 18, 2019
